Team RMS Services

→ Supported Living

Our services are uniquely designed to help individuals live as independently as possible and achieve a high quality of life.

→ Adult Day Services

Our service locations provide participants opportunities to learn and socialize in a creative and nurturing environment.

→ Remote Support

Using two-way communications, in real time, providing individuals more independence in their home.

→ ICF/IID Group Homes

Our group homes allow for a more family-like setting for individuals that require more significant 24 hour a day support.

→ Respite Services

Available for individuals who require temporary assistance with personal care and daily living activities.

→ Services for Autism

The RMS staff have extensive training and experience with supporting adults on the autism spectrum.
